GLE #25 Assignment: Write a Law

You will write a law. Your law will be evaluated by your peers and teacher in the GLE #25 Legislative Simulation on the following points:

Grading Checklist (5 project points each):

- Is your law Constitutional? Does it violate the state or federal constitutions?
- Does the law solve a real problem?
- Is the solution cost effective? Do the costs outweigh the benefits of the law?
- How will you pay for the implementation of the law?
- What government agency will enforce this law?
- Are your terms clearly defined?

Type your law and print it on white 8.5" x 11" paper. Model your law on the example provided in class:
