

**Alligators/
Crawfish/
Shrimp/Fish**
What Do They Have

Teacher Notes

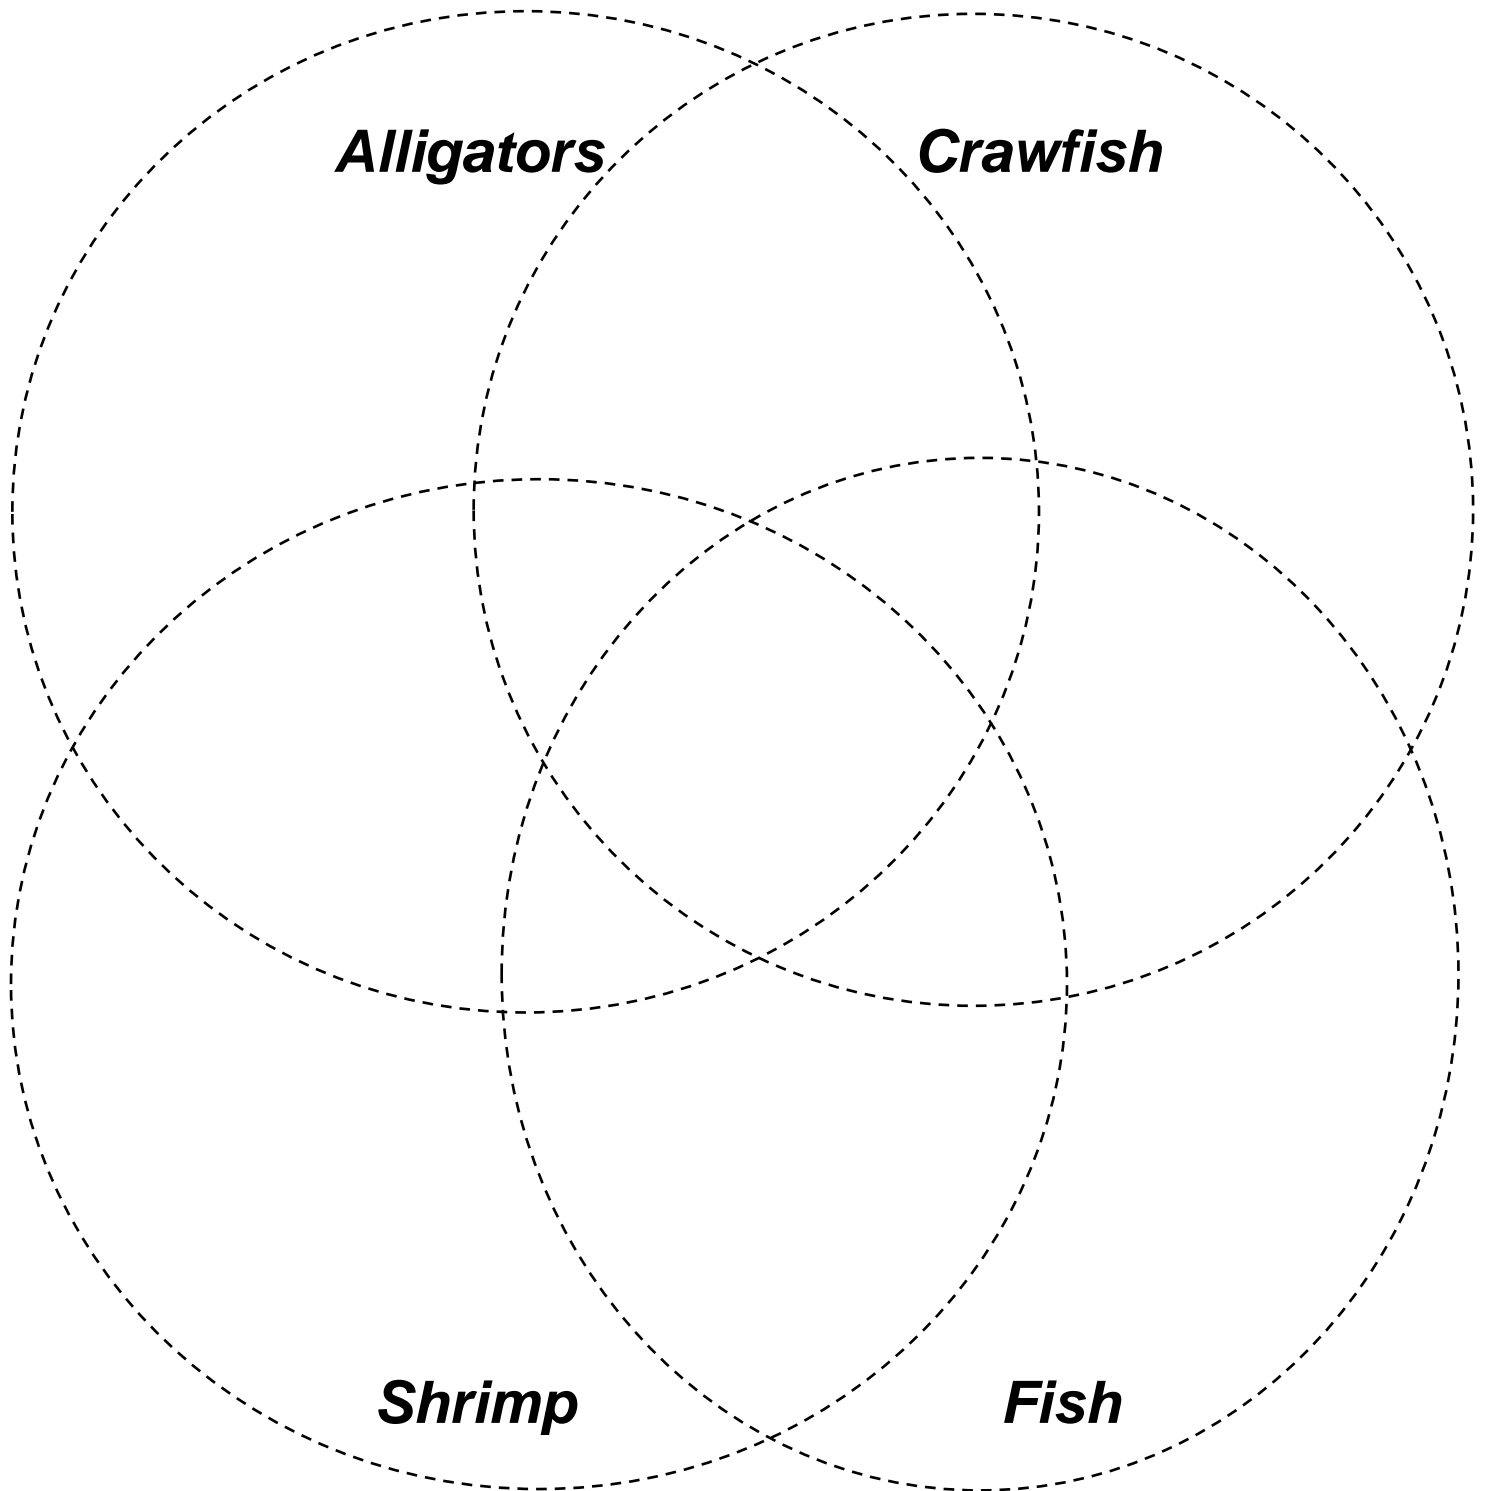

There are so many items in Louisiana to make comparisons between, that I have loved getting my students involved. Here are several items to let your students compare and contrast them in simple Venn Diagrams. My students have loved them because they did not have to 'write' a lot but could compare their known likes and contrast the known differences.

Have fun with my various diagrams plus the one blank for you to fill in.
