BINGO INFO

I Have been creating and USING these BINGO Extra Credits for over 27 years.

But recently I have been told to stop them because I copied them from someone else. However, this person has not been around that long and NOT a teacher for that long. Maybe I should complain that she stole them from me. But it is just not worth it.

However, this is MY second date with history. MY Louisiana history. No I did not copy or steal this. I made it all by myself.

Here is another of my BINGO Extra Credit games that I have on my own website. It goes WAY BACK but it has always been fun to use. I use them for after an assignment, after a test, after testing at the end of the year, towards the end of class... anything I just need extra points, or an extra quiet time. I give extra 4-5 points for a completed bingo.

I saw something similar years ago and just got the idea to create a self-bingo that my student might like for extra points since I don't just give extra credit. You have to EARN them if you want them.

This bingo comes from the textbook timeline throughout the chapters and can be done in about 15-30 minutes with very little writing plus it is easy to check.

I am sorry someone thinks I have copied but I haven't. When you have been teaching as long as I have, you just 'learn' some neat things.
