BINGO INFO

I Have been creating and USING these BINGO Extra Credits for over 27 Years.

BUT recently I Have been told to stop them because I copied them from someone else. However, THIS person has not been around that long and NOT a teacher for that long. Maybe I should complain that she stole them from me. BUT it is just not worth it.

However, THIS IS MY third Date WITH HISTORY. MY OWN LOUISIANA HISTORY STUFF. No, I did not copy or steal THIS. I made it myself.

Here IS another of my BINGO Extra Credit games that I have on my own Website. It goes WAY BACK but it has always been fun to use. I use them for after an assignment, after a test, after testing at the end of the year, towards the end of class... anytime I just need extra points, or an extra quiet time, I give extra 4-5 points for a completed bingo.

I saw something similar years ago and just got the idea to create a self-bingo that my student might like for extra points since I don't just give extra credit. You have to EARN them if you want them.

THIS bingo comes from my own webpage timeline throughout Louisiana history and can be done overnight with very little writing plus it is easy to check.

I read blogs, check out web stuff, and check Pinterest, and read various magazines every day so I never know where so idea will hit me.

I am sorry someone thinks I have copied but I haven't. When you have been teaching as long as I have, you just 'learn' some neat things.
