## ***T-Boy Boudreaux* and his travels to **Parishes Unknown****

### **Teachers Notes**

Notes about this multi-parish brochure is a chance to get students to do a simple but multi-faceted work on areas around our state.

Make sure you state with parishes NOT in your local area. Give each student a different parish until all are assigned before you get to the parishes around you.

This way it gives your students a chance to research a different part of the state and the possibility of not 'cheating' off of anyone else.

On the CHECKLIST put an **X** on YOUR parish in the first row then assign all the parishes from there in a random order. If you need to do your own parish, assign to a student that is having problems, a special ed child, a handicapped child, or some special needs child.

This also gives YOU a chance to learn something new and challenge YOU to be able to know the state's people, sites, music, cities, foods, colleges, population, etc.

God Bless - MrE
