Vocabulary Board Game

You will work in groups to create a board game to review your Government Vocabulary.

Step #1: Create question cards.

- a. One for each term and definition.
- b. Fifteen with either a picture, synonym, or example of the vocabulary terms.
- c. Ten with True/False statements related to the vocabulary.

Step #2: Create a die  using the cutout template.

Step #3: Create your own player piece using clay. It will solidify once it dries. The player piece may be no bigger than 1 inch x 1 inch.

Step #4: Decorate/personalize your game board.

- a. Randomly add four "Advance 3 spaces" squares to your board.
- b. Give your game a name.
- c. Draw pictures/color/glue pictures, etc.
- d. Connect the pages of your game board with tape (see example).

How to Play:

1. Before you begin, shuffle cards.
2. Each player begins at the start square.
3. Roll die to determine how many spaces you may advance or go back after answering the question.
4. One of the other players will read the top card to the current player.
5. If the player gets the answer correct, he/she advances as many spaces as he/she rolled.
If the player gets the answer incorrect, he/she goes back as many spaces as he/she rolled.
6. First player to reach the finish square wins.
