Buried Treasure

WHERE'S THE BURIED TREASURE?

There is nothing more exciting than finding buried treasure and Louisiana is full of it. You just have to locate it. Just recently we came across a set of longitudes and latitude numbers to give directions to some buried treasure. Using the numbers, find the parishes each takes you to. Write the name in the space provided. Circle the first letter. When you complete them all, unscramble the letters and put them in the spaces at the bottom. In some they tried to trick you, so beware. That's where you will find the buried treasure.

Latitude (N)	Longitude (W)	Parish
